POLICY : COMPUTER

Adopted :03.08.2011

Policy No: 006

Revised : 13.06.2019

Pages: 01

Belief Statement:

Bishop Benziger College of Nursing believes that the students should be able to cope up with the current trends in use of informatics in the health care system. The policy will empower the students in utilization of educational websites and e – learning.

1. Gate register should be maintained in the computer lab.
2. Students can avail internet facility at free of cost, from 8am to 5pm.
3. Command for printing should only be given by the IT technician.
4. Facility can be given to students at comparatively low cost.
5. No food items are allowed inside the Labs.
6. Students must shutdown the system while leaving computer lab.
7. Disciplinary action will be taken regarding students who are using non educational website in the computer lab
8. If any computers are found to be not working or any error in working, it should be informed to the IT technician rather than self operating.
9. Anyone utilizing the computer facility should not cause any damage to the systems.
