"Show me thy ways, O Lord; teach me thy paths. Lead me in thy truth, and teach me."

BISHOP BENZIGER COLLEGE OF NURSING

Bishop Benziger college of nursing came into existence in the year 2004 and the institution seeks to make qualitative contribution to health care through training personnel who are dedicated to the healing ministry. The college is managed by the Diocese of Quilon for development of Latin Catholics. The Motto of the institution is "TO LOVE IS TO SERVE". The college is situated in the heart of Quilon city and offers training in B.Sc. and M.Sc. nursing courses. The college is approved and recognized by KNC, INC and Kerala University of Health Sciences. It is also a member of United Nations Academic Impact (UNAI). Bishop Benziger hospital, our parent hospital established in the year 1948, is a 600 bedded multi and super specialty hospital which also runs a school of nursing since 1971 with an intake of 50 students.

Philosophy:-

Health Care Philosophy of Bishop Benziger College of Nursing is basically founded on the Christian Doctrine of "To Love is to Serve" - our inspiration is Christ, the Healer who sent his apostles out to continue the ministry. The management is fully geared to implement this philosophy of caring in the field of health care. We the management and the staff do not discriminate any students who approach us for service on the basis of race, caste and status. Any student who is in the need of health care is our guest of honor and is welcome. The healthcare and uplift of the population of Kollam District and surrounding places is the mission we have taken upon ourselves through our health care system. It was primarily with this aim in mind that the hospital as well as the college was founded by the management.

Vision

The vision is to make qualitative contribution to health care through educational preparation based on sound educational principles and Christian values to personnel who are dedicated to healing ministry.

Mission

- Prepare young nursing professionals competent to deliver comprehensive holistic health care with special emphasis on Community health services to meet the health needs of medically underprivileged areas of our community.

- Health care and upliftment of the population of Kollam district and surrounding area is the mission, the management has taken up through quality educational preparation of Student nurses
- The institution expects its students to uphold the ethical values be loyal to the higher ideas of the health profession
- Foster team work and cooperative effort in the institution
- Nurse being ministers at the altar of human life, should uphold respect for life from the moment of conception to its natural end.
- Cultivating a genuine feeling of compassion for the patients and their dear ones, and to excel in the field of health education.
- College undertake efforts to conduct research activities, execute social services and motivate community development programs
- Promoting and motivating students to cultivate leadership qualities.

Goals

- To provide students centered quality education to equip them with application of relevant knowledge from humanities, biological and behavioral science in carrying out health care.
- To make a qualitative contribution to health care through training of personnel who are dedicated to healing ministry.
- To prepare nurse as a minister at altar of human life, with upholding respect for human life from the moment of conception to the natural end.
- To promote team spirit to deliver comprehensive holistic health care.

College prayer

Dear Lord, I need your help today/ enlighten my mind and heart to know you and love you/whatever has cause it is today that matters most/ help me to stand / for justice and truth/ and share the sorrows of needy/ bless me to deserve good from evil/all for your honour/ and glory/ O lord/our God/ Amen.

College anthem

*“With Love That Cares,
We Vow to Serve,
With Love That Heals,
We Vow to Serve
For In Love Lies Life's fulfillment
For In Service Just Love Prove Itself*

*Lord You are whole You
Want us All To Be Whole
Grant Us the Grace through Our Loving Care
To Make all the sick In Your Wholeness to Stay*

*Lord You give Us
Life In your Loving Bountifulness
We now Resolve to Care for the Sick
As You care with Your Life Giving Love”*

FACULTY MEMBERS

We have a team of eminent teaching and non-teaching staffs under the guidance of our principal. We maintain a teacher student ratio of 1:10 as per INC norms.

CODE OF CONDUCT

All students of BISHOP BENZIGER COLLEGE OF NURSING are expected to follow the rules and regulations of the institution.

PUNCTUALITY AND DISCIPLINE

- All students should be present in college/hospital at least five minutes before the commencement of class /duty (starting at 8am to 5pm).
- Students are responsible to the Principal of the college. Students have to observe punctuality and discipline in class and clinical area.
- Parents/ Guardians are not allowed to visit the classroom/clinics during working hours.

- Students are strictly prohibited from organizing together or collective bargaining. Any redressal should be to the right person, individually.
- Students are strictly prohibited from participating in political agitation and organizing meetings in the Institution premises.
- Mobile phones are strictly prohibited in the class, campus and library during working hours by the university. Cinematic dance and fashion show have been prohibited in campus by the government.
- No collection of money or whatsoever will be made by students/staff without the prior permission of the principal.
- All Catholic students should compulsorily attend the mass on first Friday of each month.

MEDIUM OF COMMUNICATION

- Medium of Instruction for all subjects shall be English. Students have to communicate among themselves and to the teachers and office in English.

DRESS CODE

- While in the campus the students are expected to be well groomed and in formal dress. Saree, Salwar / Churidar and Kameez are the permitted dress for girls (No jeans, short tops or midy tops are permitted).
- Male students should wear formal shirt (tucked in) and trousers and not informal wears like T-shirts, Jeans, etc. Students are expected to dress modestly.
- In clinical settings all students must be in neat and complete uniform to maintain their professional identity.
- All students have to wear their college identity cards during class hours and clinical postings.

LEAVE AND HOLIDAYS

- Students should strictly follow the leave policy which is laid down by the college authorities. Public holidays for the year will be displayed on notice board as per the University calendar.
- Vacation per annum as mentioned in the syllabus will be given to the students. Students shall carry out the health care services as and when called for during medical emergency situations. Bandhs and Harthal days may be declared holidays, if violence is anticipated on the roads.

Students are expected to complete their requirements and compensate the required hours before examination.

- Any special permission/ special leave should be obtained from the principal through proper channel before / prior to availing/ taking it.
- In case of any emergencies at home, sanction has to be obtained from the Principal through the class advisors/class teachers/class coordinator.
- If a student is not attending the college for more than six months, he/ she on the recommendation of the Head of the Institution shall get permission from the University for rejoining with junior batch. Condonation of Break of Study shall be considered strictly as per the condition stipulated in the norms of the University (Kerala University of Health Sciences).

DISCONTINUING COURSE

- Rules for discontinuing the course after admission will be according to the university norms. Details can be obtained from LBS prospectus and web site of Kerala University of Health Sciences.

HEALTH AND SAFETY

- The students who suffer from infections or contagious diseases are not allowed to attend classes and parents should report the case immediately.
- Students have to undergo blood, urine, stool and X-ray chest investigations at Bishop Benziger Hospital at the time of admission and any further detailed evaluation if necessary. An annual health checkup is done and recorded in the health chart. The teacher-in-charge of the student's health service will maintain the health record for each student. The student has to report to this teacher regarding any ailments or allergy, so as to make appropriate charting in the health record. Unless the student is very sick, parents will not be informed. Medical facilities availed (Investigations and drugs) has to be paid by the student and the amount may be refunded as permitted under the insurance cover.
- When a student falls sick in the hostel, he/she has to report to the warden, when in the class room to the teacher, in the clinical area to the clinical supervisor. He/she has to see the Doctor and get the sick leave certified, if any advised. Parents of students who are absent or sick should report to authorities.

EXAMINATION:

University examination shall be conducted at the end of each year.

- Candidates shall be eligible to appear for university examination only if they have 80% of attendance in theory and 100% in practical with satisfactory progress report.
- If the candidate fails in any year he/she is permitted to continue the next year and appear for the subsequent university examination.
- If a candidate fails in all subjects in a year he/she will not be permitted to continue the next year. In case the candidate fails in one subject he/she will be allowed to continue the next year, and permitted to take up the examination in the failed subjects and also the regular examinations. In case if he/she fails in the previous year subjects the results of the regular year will be with held until he/she clears all the earlier year subjects and will be allowed to continue the subsequent year.
- B.Sc. nursing candidates are eligible to appear for the final year examination only if she/he passes, I and II and III year examination and completes all the academic requirements.
- M.Sc. nursing candidates shall not be allowed to appear for the second year examination till such time that he/she passes all subjects of the first year M.Sc. nursing examination.
- All candidates must submit their dissertation works priorly as instructed by respective guides.

INTERNAL ASSESSMENT

- Weekly test papers and three Sessional examinations will be conducted and the average of these will be calculated for internal assessment. Progress cards will be sent home after Sessional examinations which should be signed by the parent and returned. It is compulsory that the students should secure fifty percent of marks (separately for theory and practical) in the internal evaluation to be eligible to appear for the university examination.
- Marks of evaluation by other methods like assignments, seminars, projects etc. can be added to the internal marks.

GRADING AS PER KUHS

- Distinction - 75 % and above.
- First Class - 65% and above
- Second class - 50 %

- ❖ Candidates who pass all parts of examination on the first occasion of appearing there of shall be ranked in order of proficiency as determined by the total marks obtained. Candidates who pass the examination in subsequent appearance shall be ranked only in second class.

Award of Rank:-

- Rank in the examination- Aggregate marks of all the 4 years regular examination shall be considered for awarding rank. A consolidated mark list consisting of all 4 year examination shall be given to all the students. However a candidate who fails in one or more subject during the course shall be not eligible for the award of rank and medals.

RECORD SUBMISSION

- Students must complete their requirements and submit the practical records to the Principal duly signed by the respective teachers two weeks prior to the commencement of examination to be eligible to appear for the university examination.
