## MINORITY and OBC CELL

Minority cell of the college is established with the purpose of empowering the minority communities in the college. The Minority Cell helps minority students, including Christian, Muslim, etc. for their academic development. A special cell for the welfare of Other Backward Communities is functioning in our college, which facilitates the fruitful implementation of the policies and programmes of the Government of India, UGC, and State Government. The cell aims at assisting the OBC students to meet their needs to improve their performance in curricular and co-curricular activities. It is vigilant in maintaining the reservation policy and take follow up measures for achieving the objectives and targets laid down by the Government of India and the UGC. The cell ensures the circulation of State Government and UGC's decisions about different scholarship programs. This body works for bringing them in step with the privileged from their Psychosocial antecedents.

## OBJECTIVES

1. To enhance equal opportunities for education of minorities.
2. To facilitate financial support to students from minority communities from governmental agencies and other sources.
3. To encourage to enroll in career orientation programs like subject clinic, student support and guidance program, Occupation English Test (OET) etc., which would empower and equip them with the necessary skills to choose a career option.
