BISHOP BENZIGER COLLEGE OF NURSING
ADVANCED NURSING SKILL LAB

As a part of curricular requirement Bishop Benziger College of Nursing established an advanced nursing skill lab on 23rd April 2018 for the purpose of supporting the education and training of students in advance nursing skills. The lab is equipped with different mannequins and models. It can accommodate 25 students at a time. The students have an opportunity to practice independently which enable the students to overcome their fears and insecurity while working in an advanced care settings.
