User Management

Student Login

Parent Login

Staff Login

Alumni Login

We have student login, parent login, staff login and an alumni login. Each user has their own role-based access. Admin can control all these logins. In staff login, access is based on the role of each user. Alumni students also have a login; they can update their current status in profile and get notifications for college events like alumni meetings. They can also participate in the surveys conducted in campus.

01

Student User

- ➡ Track attendance using mobile app.
- ➡ Attend online assessments.
- ➡ Assessments analysis.
- ➡ View Internal and external marks.
- ➡ Download course materials.
- ➡ Attend Online classes.
- ➡ Attend in anonymous surveys and feedbacks.

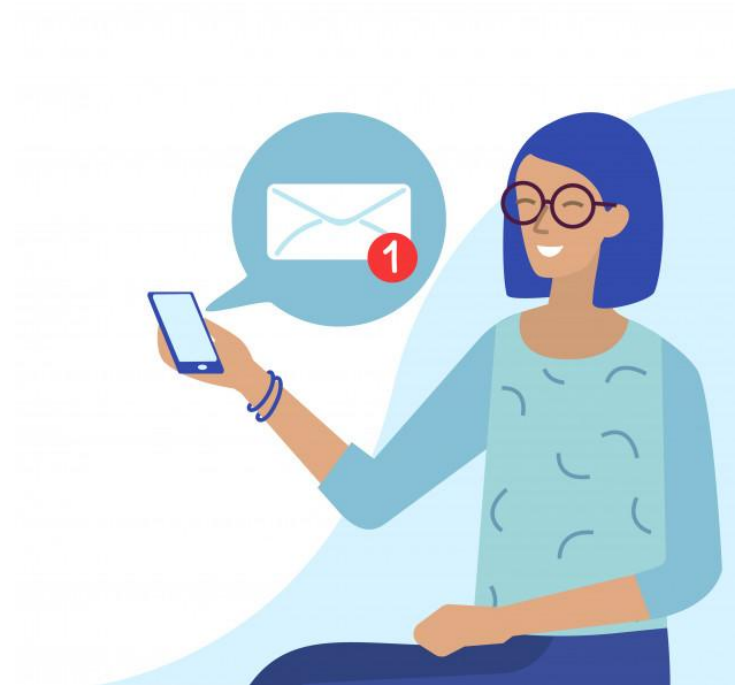

- ➡ **Message notifications.**
- ➡ **Use online and offline library.**
- ➡ **Departmental or institutional events.**
- ➡ **View regular and special timetables.**

02

Parent User

- ➡ **Track attendance using mobile app.**
- ➡ **Notification for fee payments.**
- ➡ **Online fee payment.**
- ➡ **SMS alert to parent.**
- ➡ **View student internal and external marks.**
- ➡ **Surveys and feedback.**
- ➡ **Student assessment analysis**

03

Staff User

- ➡ **Track attendance using mobile app.**
- ➡ **Course Planner for teachers.**
- ➡ **Course material sharing.**
- ➡ **Online classes.**
- ➡ **Online assessments.**
- ➡ **Assessment analysis.**
- ➡ **Students performance report.**

- ➡ **One click internal marks generation.**
- ➡ **Online and Offline library.**
- ➡ **Surveys and feedbacks**
- ➡ **Leave manager.**

04

Alumni User

- ➡ Alumni profile.
- ➡ Alumni Current status.
- ➡ Events notification.
- ➡ Surveys.
