Dear Sir/Madam,

Warm
Greetings!

You are cordially invited
for the work shop on

INCORPORATING SPIRITUAL CARE IN NURSING : CHALLENGE FOR NURSES

Kindly ensure your presence
and active participation to make this
workshop a grand success.

Thank you,

Management, Faculty &
First Year M.Sc Nursing students
Bishop Benziger College of Nursing

Dear all,

Nurses have an ethical responsibility to consider a patient's value system and religious beliefs when establishing a plan of care. A comprehensive plan includes helping patients in recognizing and managing their spiritual needs along with other needs. Nurses may be uncertain of their roles related to meeting spiritual needs of the clients and pay more attention to immediate realities of physical care. Nurses need to reflect on their own concept of spirituality and transform it as a component of comprehensive nursing care. Considering the significance of spiritual aspect in nursing care, our college is organizing an one day workshop on '**Incorporating Spiritual Care in Nursing: Challenge for Nurses**'.

Aim : Orienting nurses to the concept of spiritual care with a view to develop initial skills in incorporating spiritual components in holistic nursing care.

Objective : On completion of the workshop, the participants

1. Develop a concept of spiritual care.
2. Understand spiritual values in human relations.
3. Acknowledge the grief reactions of patients in spiritual perspectives.
4. Understand religious perspectives in spiritual care.
5. Perceives the challenges and future implications in spiritual care.
6. Develops initial skill in practicing nursing process incorporating spiritual care.
7. Recognize the professional implications of spiritual care in nursing.

We solicit your active participation.

PROGRAM SCHEDULE

Subject: **Free Reflective Practice Workshop**

From: prasad.mathew@inscol.com

To: bbcon_official@yahoo.co.in

Date: Thursday, 10 May, 2018, 11:47:55 AM IST

Dear Madam,

Greetings from Inscoll!

With reference to the conversation we had last week, Inscoll is pleased to conduct the following Training program at your institution as part of our Continuing Nursing Education for Nursing students.

INSCOLL Center for Continuing Education (CCE) is an initiative aimed at acquainting the Indian nursing fraternity with the latest developments in medical care worldwide. The initiative, which started in 2012, has so far trained over 30000 Nurses and Healthcare Providers many of them working in leading Hospitals in India.

Please Find below the program Details.

Program name:	Reflective Practice
Course Fees:	Free
Duration:	1.30 hours
Number of Sessions Required:	1
Premises:	Nursing College
Faculty:	AHA Instructors
Certificate:	Inscoll Certified
Deliverable from Inscoll:	Course Kit

We will be bring projector and Laptop.

Overview

The aim of this module is to provide learning that results from past experiences and leads to the development of new perspectives and professional growth. Reflective practice can be an important tool in practice based professionals like nursing where individuals learn more from their professional experiences. Developing the capacity to reflect in and on the practice is one of the most important dimensions of professional practice and development of expertise.

Learning Outcome

- Apply the concept of reflective practice
- Identify the factors that facilitate and inhibit reflective learning
- Design one's own learning through various strategies of reflection
- Relate significance of reflective practice in contemporary healthcare industry
