The marks obtained for the qualifying exam will be subject to normalisation process as explained below: This process will be done taking into consideration the marks of those candidates who apply pursuant to this Prospectus only. The marks obtained by the students in the relevant subjects in the qualifying examination conducted by various boards or authority shall be equated with the marks obtained by the students in the same subjects in the qualifying Examination conducted by the Director of HSE, Kerala, by adopting the method of normalization.

Explanation: Under the method of normalisation, the highest mark obtained by the students of various Boards in each subject shall be equated to the highest mark obtained by the students of the Kerala Higher Secondary Examination in that subject and the relative marks obtained by other students in that subject shall be determined accordingly.

Illustration: If the highest mark secured by the student of the Kerala state HSE, in Physics is 100 and the highest mark secured by a student of any other Board in the same subject is 90, both the highest marks will be considered to be equal to 100. If a student of the other board secures 60 marks in Physics when the highest mark in Physics in the same board is 90, the 60 marks will be considered to be equal to 66.66 marks as arrived at below: $100 \times 60 / 90 = 66.66\%$

- 14.2 In the case of a tie in the total marks, the marks in Biology in the qualifying examinations will count. If there is still a tie, the marks in Chemistry and then Physics will be counted. - 14.3 Percentage of seats set apart under various categories. Details of seat allocation under various categories are mentioned in the respective pages allotted to each College in the Annexure B series of this Prospectus.

- 14.5 Provisional Rank List will be published on 22.06.2015. The candidates can verify their application details, including marks and notify errors, if any on the website within the stipulated date.

Online Allotment

- 15.2 There will be four rounds of 'online' admissions. Subsequently, there will be centralized personal counseling and admission for the vacancies. Venue and date of counseling will be announced later.
